## ADULT TRAINING CALENDAR 2017

Application Forms for all the courses/modules on this year's Training Calendar are on the County Website and with your LTM (Local Training Manager).

We will be adding dates for Safeguarding and Safety Training Courses shortly – to book these courses you will also need to complete the same application form and submit it in the normal way to our Administrator – Jackie Gregory ([dorsettraining@aol.com](mailto:dorsettraining@aol.com)) OR 2 Ivamy Place Wallisdown Bournemouth BH11 8QX

Please do consult your TA (Training Advisor) and your GSL (Group Scout Leader) before booking your training – Thank you.

If you have any queries regarding these dates Jackie will do her best to help you.

The Closing date for all course's is usually 2 weeks before the date – however if there are spaces and the Trainer is agreeable we might be able to take a late application– Please note Module 10 FIRST AID – fills up very quickly so you do need to book on this Module as early as possible.

## VENUES

**IF the course is in red it has been CLOSED as it is FULL or the date for Booking's has passed**
