

BeaJam is an International Jamboree for Beaver Scouts. Organised in liaison with ACC Beaver Scouts. There will be four activity zones: Africa, Asia, Australasia & Americas. Each zone have four activities: Music, Craft, Game & Food. Beavers will have the opportunity to gain their International activity badge, Global Issues badge and one night away.

BeaJam will have many aspects of an International camp with opening and closing ceremonies. Camping in 'Countries with lots of colourful national flags and costumes.

BeaJam is to be held at Buddens Activity centre and will be minimal cost to participants. It will be centrally catered. This event replaces the usual County Beaver Fun day and is provisionally planned to be a biennial event.

The Dorset SOCs Team are planning an International adventure for Cub Scouts 4th - 5th May 2019. The trip is organised with support from ACC Cub Scouts. Initially three coaches are provisionally booked with possibility to extend if numbers exceed this. Each coach will carry 36 Cubs, 6 Leaders, 1 ADC and 1 SOCs Team member.

The ratio for this trip is strictly 1:6 Cub Scouts and all Cubs will be the responsibility of their own Leaders. The fee of £140 per Cub Scouts includes food, travel, group passport, UK badge, all activities and 2 x event T-shirts.

All forms and detailed information is available from the SOCs website.

Following the successful selection of seven Leaders from Dorset to lead our Units to USA in 2019, roadshows have now taken place in every District across Dorset.

There are now over 120 young people signed up to attend the selection camp on 28th - 29th Oct. This is more than double the amount of spaces we have to offer.

The SOCs Team are planning their next extraordinary International adventure across Europe. This time the final destination will be Dubrovnik in Croatia. Other countries included on route: Belgium, Germany, Slovenia, Italy, Switzerland, Germany & France. Lots of exciting activities are being planned including some white water rafting across national borders (hope the passports don't get well!).

As already mentioned, we are looking for some more Leaders to join the team.

To minimise disappointment we hope to be able to offer this adventure to many of the WSJ candidates that aren't offered a place.

This adventure will run from 29th July - 11th Aug 2019 and open to Scouts of 11 years old or more and Explorers under 18 years on the day of travel.

Preparations are well under way for Dorset's Jurassic Jamboree. There are Groups from all across the Country booked to come to Dorset, even a group from Norway. Make sure Groups are booking using the online booking system via the website.
